Finish	Powder coat with 6-step pre-wash including degreaser and anti rust coating	
Shipping Crate	96" x 78" x 36"	
Crated Weight	1,305 lbs.	

General Description: The GreenZapr disinfects synthetic turf surfaces with powerful germicidal UVC lights. Harmful microorganisms such as MRSA, HIV, and influenza are eradicated through DNA destruction, eliminating the potential for "Super-bugs". Reliable on-board power via generator or optional rechargeable gel cell batteries provide the most efficient, cost-effective sanitation method available in the industry.
